

Carolynn's Pumpkin Cake

Ingredients

Cake

1 (16.5 oz) Yellow Cake Mix
1 cup canned Pumpkin
1 teaspoon Cinnamon
½ teaspoon Nutmeg

Icing (optional)

4 tablespoons Butter, softened
½ cup Milk
1 teaspoon Vanilla Extract
3 cups Confectioners' Sugar

Directions

Cake

Preheat oven to 350 degrees. In a large mixing bowl, prepare the cake mix following the instructions on the box. Add the pumpkin and spices; mix well. Spread batter into a well-greased and floured Bundt® pan. Bake at 350 degrees for 35–40 minutes, or until a toothpick inserted into the center comes out clean. Cool on a wire rack for 10 minutes and then invert onto a cake plate.

Icing

Combine the butter and milk; beat until smooth. Add the confectioners' sugar and mix until smooth. (If icing is not spreading consistency, add more confectioners' sugar to thicken.)
