

SERVICE COUPONS

INSTRUCTIONS:

Print out a set of coupons for each child. Have your children sign their name to each coupon and give them to friends or neighbors in need. The receivers may be elderly, people struggling with severe illnesses, or single or overworked parents. Make sure your child understands that a service coupon may be turned in at any time and your child should always be ready to act when needed. Use the “Open Service” coupon for any kind of service that someone in need may ask for.
