

Instructions and Template for Val the Mailbox Gal

Create your very own mailbox to hold your valentines using pieces provided in the template!

What You'll Need

an empty square tissue box
green construction paper
scissors
glue or tape
crayons or markers
other creative supplies

Step 1

Cover the empty tissue box with construction paper.

Step 2

Cut out pieces from template: lily pad, feet, tongue, mouth, and eyes.

Step 3

Use the mouth template to trace a larger mouth on the box.
Cut the opening in the box in the shape you traced.

Step 4

Glue or tape eyes, tongue, and feet to the box.

Step 5

Glue or tape the lily pad to the bottom of the box.

Step 6

Decorate Val the Mailbox Gal with other creative supplies. Try using glitter glue or sequins to add some sparkle. Don't forget to add a heart or two.

Step 7

Feed everyone's valentines to Val for safekeeping until February 14!
